

In a year we never could have expected, Bethlehem Living Water has not changed. We are grateful to have partners and supporters like you to help the Lord's work continue in India.

Message from the Henrys:

Presently the whole world is living in confusion. Because of COVID-19, all nations, peoples, businesses, factories and productions of everyday life have been seriously affected. We all know this and are living a life that is full of uncertainty. Yet, we also know that God is in control and we trust Him. In the midst of all these things, each day that passes brings us closer to the remembrance of the historical event, which happened about 2000 years ago and has changed the destiny of mankind.

This is my own translation of an Indian poem:

As our time is divided into two parts,
Before the birth of Jesus & after the birth of Jesus,
My life is also divided into two parts,
Before I met you and after I met you.

Jesus stands in the middle of our timeline, but He also stands between our destiny. "With Him" on the blessed side and "without Him" on the sad side.

Christmas comes every year to remind us and warn us about this vital fact. The question is this - Which side are we standing on? with Him or without Him!!

May this Christmas be a blessed time for you and your family. We stand in awe when we think of the event in history when God intervened through the birth of Jesus. All we can say is, "Thanks be to God for his indescribable gift!" 2 Corinthians 9:15.

We wish you a Merry Christmas & a Happy New Year.

Message from the McFarlands:

We are again standing at the milestone, which compels us to think about God's amazing love and forgiveness for us. To make this a reality, there was only ONE WAY and that was to send His son Jesus as a gift to this world. Christmas time is the occasion to reflect on this fact and thank Him.

We are so thankful to God for all of you and pray that He continues to bless you all, so you can be a blessing to so many as you have been. The work keeps growing here, because people like you are our partners. Your support is invaluable to us and to many people here. God has used your love and support to be an instrument to make a change in people's lives. You all have truly been an example of what Christian love, kindness, generosity and compassion means. As Philippians 1:3 says, "I thank my God upon every remembrance of you." May God continue to bless you and keep you. Have a wonderful Christmas and a blessed year ahead.

Projects Update:

Dear Brothers and Sisters in Christ, We came before you a few months ago with many needs for the work being done in India. We knew that God would find a way to provide as He always has but even with that knowledge we stand in awe of the contributions of His people to the important work being done in the field. In this time of uncertainty, you have individually and collectively answered the call to provide for those in need. Thank you for your generosity and prayers on behalf of all those doing God's work in India. Be on the lookout for updates as funds are continuing to be collected and are being put to work.

It's not too late to make a difference. Visit our website to donate online or checks may be mailed to: Bethlehem Living Water, PO Box 706, Springboro, Ohio 45066

May Christ fill your hearts with His grace, as we walk in *faith over fear!*
